Bath section has its chief, deputy chief (officers), and two or more secretaries (non-commissioned officers).

Three infentry battalions are directly subordinate to the Brigade Keadquarters. Each battalion is made up of three infantry companies, one machine gun company, one mortar company, one anti-tark gun detachment, and one anti-tank rifle detachment. An infantry company has three detachments, each with 30 men. Soldiers are equipped with Russian carbines with folding beyonets. Commanders of groups of ten and some soldlars carry Russian "Schmaissers" (sub-machine guns). For every
